

STEPS TO BECOME A STUDENT MINISTRY VOLUNTEER LEADER AT PVCC

1. VISIT AND SHADOW

First, come on a Wednesday Night to the Student Ministry! We will give you a yellow visitor lanyard and you will shadow one of our current leaders. You will come to the huddle and then shadow a leader as they explain what they are doing, the flow of the night, and spend time connecting with students.

2. PAPERWORK

After you have shadowed a leader the next step is to fill out some basic paperwork.

- Application
- Read Handbook
- Background Check

3. INTERVIEW

This will be a one on one meeting with either Dan or Samantha where we will get to know you better and learn how your gifts and abilities could be a blessing to the Student Ministry.

4. CHILD SAFETY TRAINING

- This training is 10 videos by Ministry Safe to be watched online at your own pace. After you watch the videos you will take a test to verify your comprehension.

6. ADDITIONAL TRAINING (AS NEEDED)

Depending on how you will serve in Student Ministry there may be additional training that we ask you to complete. This could be about leading a small group or what to do when a student confesses sin, or how to run a soundboard, etc.
